FABRIC PROFESSIONALS

If a fabric carries the STANDARD 100 label, you can be certain that every component of this fabric has been tested for harmful substances, therefore is harmless to human health. www.oeko-tex.com/en/our-standards/standard-100-by-oeko-tex

This fabric is made with recycled yarns. The use of these recycled yarns may slightly affect the appearance of the fabric, so we required a major tolerance for the color reproduction.
